# Search: So much more than "Is my doctor in-network?"

Download the **Surest app** or visit **Benefits.Surest.com** to search for care and supplies—and see the price before you get them.

### Search

- From the search bar, type in your condition, or symptoms like "my head hurts"
- · Results will show care options for you to consider
- · Select a doctor or location to see the copay
- You can also search by provider name to see prices and if they're in-network

# 2 Compare

Turn on filters like specialty, gender, and distance to find care that suits you. With Surest Care Ratings, we evaluate providers based on their past performance and give them a higher rating—and lower copay—to help you find high-value care.

# 3 Decide

By seeing providers, locations, and costs in advance, you can make more informed decisions about care that fits your lifestyle and budget.

- View a map of provider listings to see upfront prices and nearby locations.
- Select the provider you want and see scheduling info.
